

## **Driving Directions to the Casa del Prado, Room 101, Balboa Park, San Diego**

From the junction of I-8 and Highway 163 go South on 163. Stay in the right lane. Immediately after you have passed under the tall Laurel Street bridge which has several arches, exit right. Very shortly there will be another far right lane that you do not take. Continue in your right hand lane which will gradually turn left and you will see a sign directing you to Park Blvd and Balboa Park. Turn left on Park Blvd. Travel past Presidents way which has a traffic signal and proceed to the second traffic signal and turn left on Village Place. There will be a parking lot on the left which may be full and a large parking lot on the right. Both are free. If you have properties to deliver to the Casa del Prado, Room 101 or require handicapped parking, stay on Village Place for about 300 feet where it will abruptly turn left and at about 200 feet where the street ends you will find loading zones and short term parking and handicapped zones next to the Casa del Prado which is to the West. Room 101 is located on the bottom floor in the southeast corner of the building.
